Additionally, our professional local guide share knowledge about local culture, traditions, and the Annapurna region, adding depth to your overall trekking experience.

The short Annapurna Base Camp Trek Difficulty & Fitness Level

The short Annapurna Base Camp Trek is (categorized by Ascend Hikes team) **moderate to challenging level trek** suitable for beginners with a good level of fitness and some hiking experience. It's about daily trekking 5-7 hours on mixed terrain, including stone steps, forest trails, and gradual ascents, with the highest point reaching 4,130 meters Annapurna base camp. While no technical climbing is required, the altitude and continue uphill walking can be physically demanding. Trekkers should have good stamina, basic cardiovascular fitness, and be comfortable with multi-day trekking. Regular exercise such as hiking, jogging, or cycling before the trip will help ensure a safe and enjoyable experience.

What is the best Time to Do Short Annapurna Base Camp Trek?

The best time to do the Short Annapurna Base Camp Trek is during **spring (March - May)** and **autumn (September - November)**, when the weather is stable, skies are clear, and mountain views are at their best. During these seasons, temperatures are moderate, trails are in good condition, and you can enjoy panoramic mountain views along the route. Spring also offers blooming rhododendron almost the trail, while autumn provides crisp air and excellent visibility. Although the trek is possible year-round, winter (December - February) is colder with possible snow, and monsoon (June - August) brings heavy rain and limited views, making them less ideal for most trekkers.

Which permits are Required for short Annapurna base camp trek?

The required permits for the short Annapurna base camp trek are TIMS and Annapurna conservation Area Project permits, which cost are,

Permits	Cost
ACAP (Annapurna Conservation Area Project)	NPR. 3,000/-

Where to Get Permits and What is Required?

The required permits for the Short Annapurna Base Camp Trek is **ACAP (Annapurna Conservation Area Permit)** and **TIMS Card**, these can be obtained from the **Nepal Tourism Board offices in Kathmandu or Pokhara**, or through any registered trekking agency. To apply, you need a **valid passport copy, passport-size photos, and basic personal details** such as your trekking route and travel dates. If you book through a trekking company (Ascend Hikes Pvt Ltd.), we arrange both permits on your behalf, making the process quick and hassle-free.

Accommodation and Food on Short Annapurna base camp trek

The Accommodation on Short Annapurna Base Camp Trek is basic **teahouses**, which are simple but comfortable lodges run by local families. Rooms are usually basic with twin beds in sharing basis, blankets, and shared bathrooms, while higher altitudes offer more limited facilities. Food is served in the teahouse dining areas, with a variety of options such as **Dal Bhat (rice, lentils, and vegetables & pickle)**, noodles, soups, fried rice, pasta, eggs, and instant tea/coffee. As you go higher, menus become simpler and prices increase, but meals are warm, filling, and suitable for trekking in the mountains.

Transportation from Pokhara to Short Annapurna Base Camp Trek Start Point

Transportation from Pokhara to the starting point of the Short Annapurna Base Camp Trek is usually done by **local bus or private jeep but depending on services**. The most common route goes from **Pokhara - Nayapul - Siwai - Jhinu Danda**, which takes around 3-4 hours about 60 km by road. From there, the trek begins on foot. Jeeps are faster and more comfortable, while local buses are more budget-friendly but slower and crowded. Most trekking agencies like us Ascend Hikes Pvt Ltd also arrange private or shared transport for convenience, safety and flexibility.

What aspect from Short Annapurna Base camp Trek?

- **Beautiful scenic views:** Stunning views of Annapurna, Machhapuchhre, and surrounding
- **Short Duration but magic views:** all together 5-7 days to complete this trek
- **Moderate- Challenging Difficulty:** Beginner-friendly with good fitness level
- **Diverse Landscape:** Forests, rivers, villages to alpine terrain and mountain valley.
- **Local Culture:** Gurung & Magar community experience during the trail
- **Teahouse Trek:** Simple accommodation and food available during the trail
- **High Altitude Experience:** Reach 4,130m (ABC) without long expedition.
- **Easy Access:** Start/end from Pokhara which is near the city.
